

## Programme

### Monday, 12<sup>th</sup> April

13.00	Lunch and registration	
14.00	Welcome	<i>Giuseppe Scarpelli</i>
14.10	Welcome of the President of EUCENTRE Foundation	<i>Michele Calvi</i>
14.20	Welcome of the President of the Italian Geotechnical Society	<i>Stefano Aversa</i>
Session 1 (Chair: <i>Roger Frank</i> )		
14.30	Update on Eurocode 7, its implementation and maintenance	<i>Bernd Schuppener</i>
15.00	Results of the NDP survey	<i>Andrew Bond</i>
15.30	Coffee break	
16.00	Future development of Eurocodes and geotechnical issues	<i>Jean-Armand Calgaro</i>
16.40	Role of JRC and the implementation and coordination of the Eurocodes	<i>Artur Pinto</i>
17.00	Discussion of Session 1	
17.30	Introduction to Design Examples 2	<i>Andrew Bond</i>
18.00	Closure	

### Tuesday, 13<sup>th</sup> April

Session 2 (Chair: <i>Giuseppe Scarpelli</i> )		
09.00	Report on Design Example 2.1 – Foundation with central vertical load	<i>Carsten Sørensen</i>
09.30	Report on Design Example 2.2 – Foundation with inclined load	<i>Norbert Vogt</i>
10.00	Discussion of Design Examples 2.1 and 2.2	
10.30	Coffee break	
11.00	Report on Design Example 2.4 – Earth & pore water pressures on basement walls	<i>Hans Schneider</i>
11.30	Eurocode 7 designs for water pressures and review of survey	<i>Brian Simpson</i>
12.15	Discussion on Design Example 2.4 and water pressures	
13.00	Lunch	
Session 3 (Chair: <i>Trevor Orr</i> )		
14.00	Reliability analyses of the Design Examples	<i>Yusuke Honjo</i> – former Chairman TC23
14.40	Report on Design Example 2.5 – Embankment of soft peat	<i>Eric Farrell</i>
15.10	Discussion of Example 2.5	
15.30	Coffee break	
16.00	Report on Design Example 2.3 – Pile foundation in stiff clay	<i>Adriaan van Seters</i>
16.30	Report on Design Example 2.6 – Pile foundation in sand	<i>Boleslaw Klosinski</i>
17.00	Discussion of Design Examples 2.3 and 2.6	
17.30	Closure	
19.30	Workshop Dinner	

Wednesday, 14<sup>th</sup> April

Session 4 (Chair: *Stefano Aversa*)

09.00 Impact of Eurocode 7 worldwide

*Roger Frank*

09.30 Discussion of impact of Eurocode 7 and other experiences

10.00 Discussion of the role of reliability analysis and other issues in geotechnical design

10.30 Coffee break

11.00 Panel discussion on Eurocode 7 and issues that have arisen

12.40 Concluding remarks

*Trevor Orr* – Chairman ETC 10

13.00 Lunch

14.00

SC7 Meeting

Post workshop – Visit to EUCENTRE Experimental Laboratory

Programme v6 (21/01/10)
